Final New York International Wine Auction Set for September 25th to Support Arc Herkimer's Mission

Get ready to raise your glasses and paddles one final time in support of Arc Herkimer at the New York International Wine Auction (NYIWA) on Saturday, September 25th at Turning Stone Resort · Casino in Verona.

The 25th anniversary and grand finale of NYIWA, which began in 1996, comes after a one year hiatus due to pandemic restrictions in 2020.

Attendees will experience NYIWA's signature silent auction and wine tasting, as well as the event's exhilarating live auction and five course dinner with select wine pairings.

The grand finale event includes something new this year—a special after-party to commemorate twenty five years and to thank supporters for their dedication to Arc Herkimer's mission. Additionally, guests will enjoy entertainment provided by area native Scott Flansburg, also known as The Human Calculator.

Incredible auction lots with large format bottles, verticals, and rare acquisitions can be expected, along with several luxurious trips, jewelry, and other fine lifestyle items available for bid for the event's magical finale.
